Financial Aid

Thanks to the generous support of our community, we were able to provide over \$1,217,609 in financial aid and program discounts in FY2019. Awards vary by program, but in general we are able to provide ~20% of our gross revenue back to the community in the form of financial assistance.

We are committed to making Chewonki programs accessible to participants from every walk of life, from across our nation, and from around the world. Thank you for making this possible!

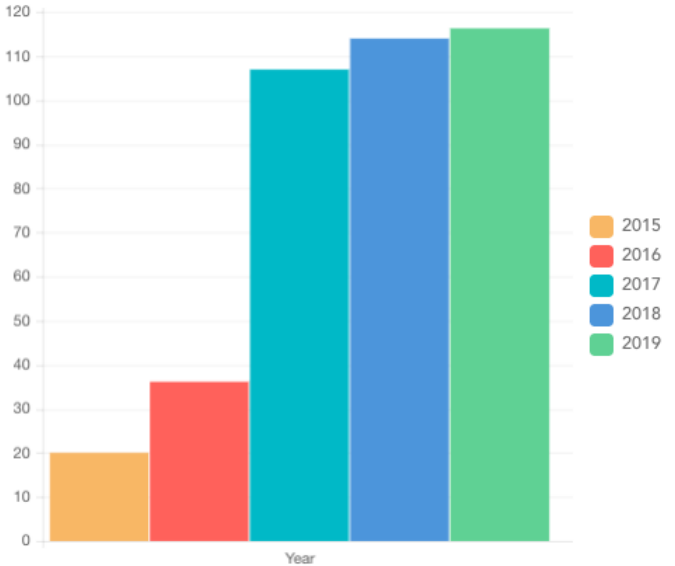

Energy Generation

Over the past year, Chewonki has significantly reduced its CO2 emissions and increased production of solar electricity megawatts here on campus.

In 2015, Chewonki produced 20 megawatt hours (Mwh) of solar electricity. In 2019, we produced 116.37 MWh! Our carbon output last year has been likewise reduced by 295.89 tons because of solar generation, and we've replaced the equivalent of 68.6 barrels of oil with good ole sunshine.

Output has reflected a snowy winter, wet spring, and gorgeous, sunny summer. If you'd like to learn more about our solar generation system, you can find real-time data online: <https://revisionenergy.solarlog-web.net/chewonki/>

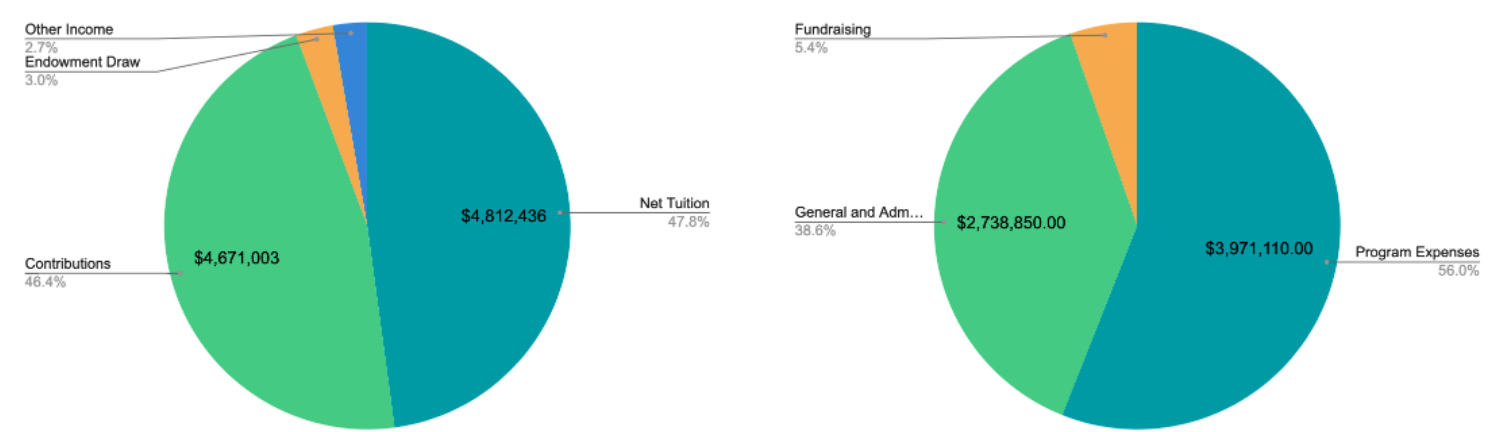

Solar Energy Generated (MWh)

Revenue & Expenses

FY2019 Total Revenue: \$10,081,821

FY2019 Total Expenses: \$7,090,440

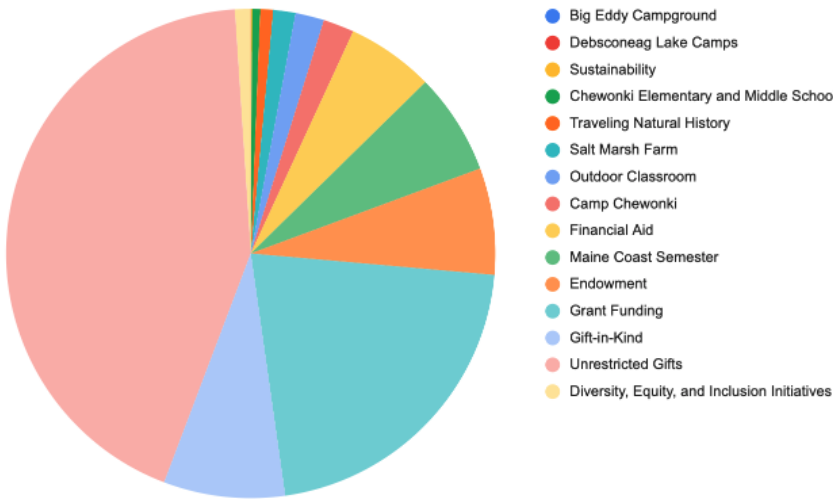

Charitable Contributions

Designated and Unrestricted Giving: \$1,579,480

Thank you!

FY19 was a record year for contributions to Chewonki, including several notable gifts to support our eastside campus expansion, and several renewal projects for participant and faculty housing. Thank you!

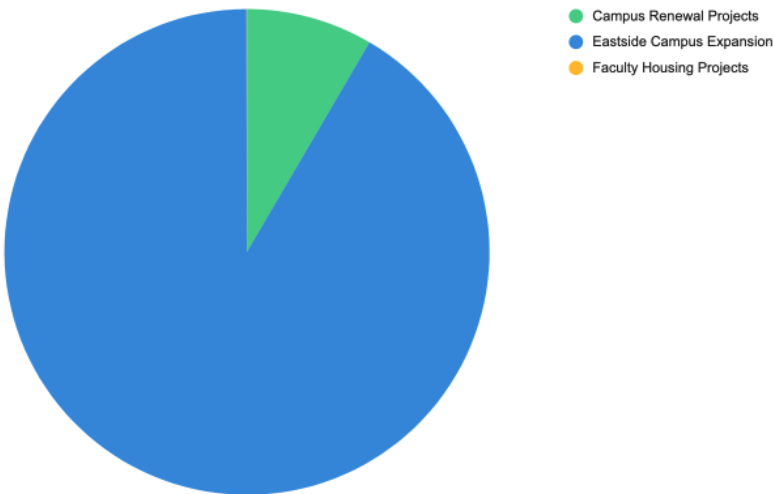

✓ Total Contributions: \$4,671,001

✓ Total Donations: 1,464

✓ Total Grant Awards: 6

Contributions to Special Projects: \$3,091,521

Special Thanks to our FY2019 Grantors:

Aldermere Foundation

Baldwin Foundation

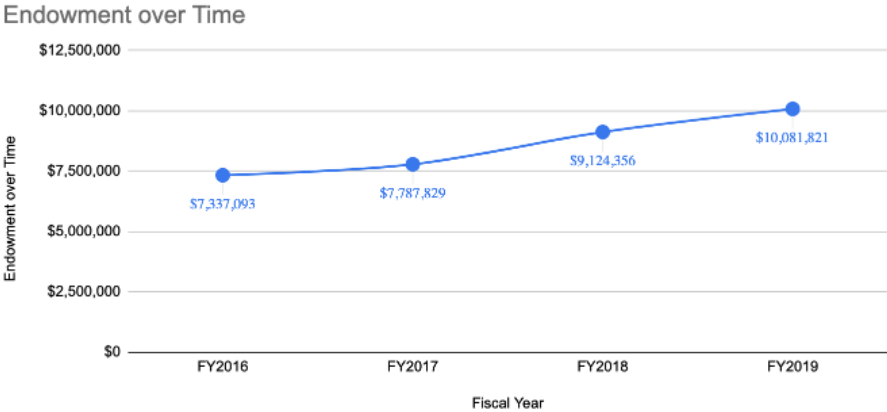

Elmina B. Sewall Foundation

Emanuel & Pauline Lerner Foundation

Nord Foundation

Quimby Family Foundation (subgrant from The Ecology School)

Endowment

Investing for the Long-Term

Thanks to dedicated giving by donors each year, sound management by our partners at Bath Savings Trust Company, and favorable market returns we have seen strong growth of the endowment in recent years. A strong endowment provides resiliency for Chewonki over time.

With Special Thanks to All of You!

We are only able to provide Chewonki programs because of a vast network of friends and alumni who contribute their time and resources each year. With your help, we will continue to inspire transformative growth, teach appreciation and stewardship of the natural world, and challenge people to build thriving, sustainable communities throughout their lives.
