A Better Big Eddy

Many visitors, even long-time friends of Chewonki Big Eddy Campground don't know that we're a fully registered 501c3 non-profit organization. Chewonki purchased Big Eddy in 2002 along with 75 acres of timberland to ensure river access for youth programs, natural history education, and whitewater kayaking.

We have continued to operate as a public campground and fly-fishing mecca in recognition of the generations of Northwoods enthusiasts who consider Big Eddy a home away from home.

As a non-profit, we also rely on the generous contributions of folks like you to help maintain and improve Big Eddy. We're launching a two-year campaign to raise \$58,000 for a variety of improvements for Big Eddy, including:

- New solar panels & propane generator
- Cabin improvements
- Campground amenities & landscaping
- Upgrades to the water system
- Repairs to the boat launch & more!

Please help us renew and improve Big Eddy by making a tax-deductible gift to the Big Eddy Improvement Fund today.
