Academic Advisor (10th): ________________ Email: ____________________________

Academic Advisor (11th): ________________ Email: ____________________________

Academic Advisor’s Signature: 

Your signature indicates your approval of this student’s academic plan while attending Maine Coast Semester at Chewonki

Registrar: ____________________________ Email: ____________________________

Please indicate the person at your high school who should receive your Maine Coast Semester transcript and comments

Parent/Guardian Signature: ____________________________

Placement Forms: Students will not be scheduled for classes until we receive online placement information from their math department chair and world language teacher (if applicable). Links to placement forms are available at mainecoastsemester.org/admissions/accepted-students/. Please check your pre-semester checklist for placement form due dates.

Add/drop period: Although students have the first three class days to add or drop a course, due to the immersive nature of our curriculum, it is crucial that students are enrolled in the correct classes prior to the start of the semester.

Course descriptions can be found at mainecoastsemester.org/academics/curriculum. All courses are taught at the honors or advanced level. Students receive one credit for each course taken at Maine Coast Semester unless otherwise noted.

Required Courses:
[✓] Science: Natural History of the Maine Coast  [✓] Physical Education: Wilderness and Outdoor Skills
[✓] English: Literature and the Land  [✓] Community Service and Work Program (NC)
[✓] Interdisciplinary: Human Ecology Capstone

Select THREE Additional Courses:

☐ United States History

☐ A.P. United States History (student must be registered for A.P. U.S. History at their sending school)
